

# DEEPLY ROOTED

On the next page, you'll see an overview for each of the 8 quarters of the Deeply Rooted Curriculum.

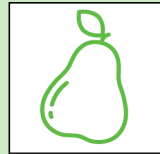

*Each quarter is made up of 3 different types of series that work together to help preteens live out internalized truths about God, themselves, and their purpose.*

In a “roots” series, the goal is **KNOW GOD.**

Preteens discover and internalize 3 statements about God which frame each of these highly engaging series.

*Preteens will internalize 12 key truths. Each is repeated once during the 2 years.*

In a “fruits” series, the goal is **SHOW GOD.**

Preteens apply the three statements from the previous month to a specific area of life that they are likely to encounter.

*In two years, we'll address 8 areas that are central to most preteens' lives.*

In a “shoots” series, the goal is **GROW in GOD.**

Preteens learn disciplines to go further **ON THEIR OWN** in their relationship and understanding of God.

*By the end of year 2, preteens will learn to walk with God in 8 different ways.*
